Grand Cru Chocolates Direct from the Factory

Felchlin chocolate is one of the finest chocolates in Switzerland and has been produced with passion and tradition for over a century. Felchlin only uses the best raw materials for its chocolate, which are procured directly from the local cocoa farmers. Quality, transparency and sustainability are always in focus and contribute to the fact that only the best chocolate reaches the store shelves at Felchlin. In the new, attractive factory shop in Ibach-Schwyz, you can find a varied selection of Grand Cru couverture chocolates, baked specialties and exquisite chocolate creations. A visit is definitely not only worthwhile for chocolate lovers. With a direct bus connection every half hour from Vitznau, you can reach the factory shop in just 30 minutes.
