The most visited museum in Switzerland – worth it!

With over 800,000 visitors per year, the Swiss Museum of Transport is the most visited museum in Switzerland. Hardly a family in Switzerland has not visited the museum. The Museum of Transport makes hearts of all ages beat faster, with its wide collection of locomotives, cars, ships, airplanes, and exhibits on space. In addition to the museum, the Verkehrshaus also houses a planetarium, an IMAX film theater, and the “Swiss Chocolate Adventure”. An engaging family trip is guaranteed. The Swiss Museum of Transport can be reached from Vitznau with a direct boat connection within 45 minutes and is perfect for bad weather days.
