Love is all around - a concert full of heart and harmony Spring is awakening, the days are getting brighter and the music fills the air with warmth and lightness. Just the Four of Us invites you to an evening full of emotion in the Reformed Church in Weggis. In a unique programme, they present well-known love songs - from international classics to touching songs in Swiss German. With creative arrangements and a lot of feeling, they conjure up an atmosphere that makes love, joie de vivre and the magic of spring tangible. Let yourself be carried away and enjoy an evening full of music that touches the heart.
