## Advent Concert by the Weggis Wind Band

Musical variety at Christmas time - spend cosy hours with music presented by the Weggis Wind Band

A successful year for the association comes to an end with the traditional Advent concert in the catholic church in Weggis. In the sometimes hectic time before Christmas, visitors enjoy varied music with an atmospheric ambience and are enchanted by Christmas sounds that have been rehearsed with great passion and dedication. Followed by a delicious warm drink. We look forward to many visitors.
