StradivariFEST

Schubertiade for the anniversary.

10 years of StradivariFEST Gersau! This anniversary is reason enough for us to celebrate an extraordinary festival this year. That is why we will honor it with chamber music "pearls" by Franz Schubert. Legendary works such as the "Trout Quintet", "Death and the Maiden", the "Winter Journey", the "Rosamunde Quartet", the Octet and many more will delight our loyal Gersau audience at this magical location on Lake Lucerne! Nature & Culture: Once again this year, the idyllic and natural concert venues are at the heart of the StradivariFEST Gersau. The StradivariFEST opens with the "Mythenkonzert" at the Seehotel Waldstätterhof in Brunnen on Wednesday. The particularly atmospheric "Candlelight Concert" takes place on Thursday evening in a romantic setting at the Kindli Chapel between Gersau and Brunnen. On Friday, the golden chamber music hall in Vitznau will resound. Saturday morning begins with the "Nauenbrunch", a brunch with musical accompaniment on the legendary "Republik" Nauen in Gersau. On Saturday evening, the Stradivari musicians will perform on the lake stage at the "Serenade am See" and on Sunday evening, the "Stradivari Concert" in the Gersau parish church of St. Marzellus will bring this year's StradivariFEST Gersau to a close. Nature and culture come together in a wonderful way on Lake Lucerne. The anniversary cruise on the MS Diamant will be a special event this year. Close to the public: Together with the Stradivari musicians, the audience can immerse themselves in the world of Schubert and be enchanted by his music. After the concerts, the artists deliberately seek personal interaction with the audience. Conversations at the subsequent aperitifs offer the perfect opportunity for this. The aperitifs are generously sponsored by the Restaurant Traube, the Seerestaurant Pauli and the Berggasthaus Rigi Scheidegg.
