## New Year's concert at the KKV

With prizewinners of the Swiss Youth Music Competition.

For the second time, you will have the opportunity to hear prizewinners from various categories of the Swiss Youth Music Competition in just one concert - a "best of". Experience young up-and-coming talents in solo performances as well as in ensemble formations. A varied, musical start to the year 2025 awaits you. The young musicians are all first prize winners of the 49th edition of the Swiss Youth Music Competition, the final of which took place in La Chaux-de-Fonds in May 2024. Over the years, the Swiss Youth Music Competition has developed into the largest national music competition for young amateurs. Every year, around 1500 music-loving young people aged between 8 and 20 take part in the competitions. The credo of the competition is the joy of making music and the pleasure of meeting like-minded people. The young prizewinners can gain important stage experience through concert appearances such as in the KKV, which can then give them confidence and ease in future competition appearances.
