Concert by 8ontime

8 people from Ruswil meet at 8 o'clock in the evening to jam, that's how 8ontime was born in 1996.

Then as now: pure enthusiasm for songs with groove and panache, lots of pop and soul, plenty of Latin and funk, a pinch of blues. Musically developed and matured, retaining their joy of playing, desire and stage mischief. For three decades, 8ontime has been turning people into friends, thanks to their shared passion for music, honestly and without pretence. Romy Bucher (vocals) Martin Dahinden (vocals) André Lindegger (guitar) Hubert Ming (bass) Roland Müller (keyboard) Jörg Enzmann (drums) Nicole Schürmann (saxophone) Bruno Buchmann (trumpet) Michael Wettstein (trombone) Silas Menberg (mixer)
