Fondue im Restaurant Sens

Fondue evening at Restaurant Sens...

...Flickering candlelight and a crackling open fire. Look forward to a delicious salad bowl with spicy salsiz, followed by a melt-in-the-mouth mountain cheese fondue, served with pickled vegetables, crusty bread and hearty potatoes - a real treat! To top it all off, we will spoil you with a traditional Swiss meringue dessert, refined with heavy cream and fresh blueberries. A perfect evening to escape the cold and be enchanted by winter coziness. Enjoy an unforgettable time in a prime location on Lake Lucerne. #fondueisbetteratthelake
